Dental Solutions

Financing made personal

**FOCUS ON YOUR
HEALTH
NOT ON THE
PRICE TAG**

The peace of mind that comes with knowing you are making the right decisions for your health is priceless. Financing dental care with Springleaf Dental Solutions is a great way to see that you and your family receive the treatment that they need, when they need it, without having to tap into valuable emergency resources like your credit cards or personal savings.

GETTING STARTED

Financing with Springleaf Dental Solutions is simple: just ask your dental office staff for an application today. There's no application fee, no monthly fees, and no down payment is required.

PAYING FOR DENTAL CARE DOESN'T HAVE TO BE SCARY

Don't let the inability to pay for proper care influence your treatment decision. With Springleaf Dental Solutions, you can receive needed procedures immediately without using a credit card or savings.

WHY FINANCE DENTAL CARE WITH SPRINGLEAF DENTAL SOLUTIONS?

- Application processing is fast and simple. We can qualify you within minutes.
- No down payment is required, along with no application fee, no annual fee, and no prepayment penalty.
- Payments are made directly to Springleaf Financial Services (Springleaf), and don't involve your dental office staff.
- Payments can be made by mail, online at SpringleafFinancial.com or at a convenient local Springleaf branch near your workplace or home.
- Financing can be used as a supplement to dental insurance plans and affords a convenient way to pay for elective procedures, emergency care, deductibles and treatments not covered.
- Low monthly payments help you budget the cost of care.
- You'll be able to accept the procedures recommended by your dentist without worrying about having the cash right now.
- Springleaf Dental Solutions provides a convenient option if you prefer not to use credit cards, bank lines of credit or personal savings.

- Our customer service standards guarantee that every customer is always treated with respect and courtesy. We understand that people can be affected by circumstances beyond their control. We are in the business of helping people solve financial problems.
